2. A general staff for the Territorial Defense Command exists, but no information relative to its organization is presently available.
3. The following anti-aircraft defense units of the Territorial Defense Command have been identified:

a. Ploesti: 1, 4, 11 Regiments of 1 Anti-Aircraft Division.

b. Campina: Detachment of 11 Regiment. The mission of 1 Anti-Aircraft Division is the protection of the Ploesti oil fields.

c. Bucharest: 1, 2, and 3 Regiments of 2 Anti-Aircraft Division. The mission of 2 Anti-Aircraft Division is the protection of Bucharest. The divisional command post has been set up in the Parcul Carol section of the capital, in a shelter built during the recent war. Gun emplacements have been selected. Anti-aircraft artillery has been installed in a circle around Bucharest with the greatest concentration of weapons near an unidentified railroad station. All communications facilities for the Bucharest area have been installed and are in working order.

d. Cernavoda: 6 Anti-Aircraft Regiment.
